Crochet Chunky Basket Set!

It's time to take your crochet projects to a new and exciting level. Who can't use baskets around the house? And these are beauties! And believe it or not, created with only single crochet! With a wood bottom base, lots of beautiful colors of 9mm yarn to choose from and genuine leather handles, you will enjoy *making* these as much as putting them to use after. These baskets work up pretty quickly, so we'll learn all of the "how to" in class one, have some "homework" in-between and meet for class two to apply all of the finish details. The many decorative uses for these are endless from billing to magazine to yarn holders, dog beds, flower pots and more. Time to pick a color!

Supplies are not included in class fee. Choices include white or dark brown wood bottom with corresponding leather handles and yarn color of choice.

Project: Crochet Basket Set by Cathy Volonnino
