

## Rows of PurL Retreat...Sept 29-Oct 1...COME HANG WITH US!

### Fun, Fiber, Feasting & Friends!

You asked and we are excited to deliver. If you have been waiting for a time to celebrate your favorite pastime while hanging with your PurL Girl friends, then this weekend is for you! And, at one of our favorite places...**Feederbrook Farm in Freeland, Maryland**. Yes, a three-day road trip highlighting some of our favorites that we want to share with you! Included in the trip are a special yarn store visit, a tour of Feederbrook Farm and Mill, customizing and hand-dyeing your very own skein, a wine tasting event paired with an evening of live music and feasting from h'ourderves to dessert (a real Virginia BBQ featuring a French trained chef). You will create, knit/crochet your own creations (perhaps finish a project or two) around the farm for more hours than you can count (as relaxing is the idea) making new friends and getting to know your purl friends much better. We will visit a local brewery for even more music and food and of course fiber in hand. Last but not least we will visit another working farm, Alpaca Yarn Co. Enjoy a farm tour, brunch and more creating before heading home. Did we mention lots of furry animals to admire and perhaps feed all weekend long. We can't wait!!!
